Re: SLAB Export Annual Reporting SLC Recycling Industries

Dear Sir/Madam,

Please find enclosed an amended 2012 Annual Report of SLAB exports for SLC Recycling Industries.

On January 16<sup>th</sup> I submitted a report for SLC along with 5 other sites that have export agreements for batteries with Tonolli in Canada. In 2012 we did not ship any SLABS to Tonolli.

However after submitting the reports it came to my attention that SLC Recycling Industries exported one load of batteries to Newalta in Quebec on October 15<sup>th</sup> 2012.

I apologize and hope this submission is sufficient to rectify the mistake.

If you need any more information please let me know.

Yours Sincerely,

*Linda George*
